$1,512,420.00	$35,010.00	NO DATA

Current Activity Status

Current Activity Status

The e-Mi team is currently working with six deparments to migrate their intranet sites to the SharePoint environment.

The Michigan State Police and State Budget Office are in the design stage. The Deparment of Transportation and Office of the State Employer are in the construction phase and agency employees are moving their content to the new site. The Treasury Deparment will kick off their project on November 16, 2012.
